The Company shall give each Right Holder a written notice of any such Proposed Issuance ("**Issuance Notice**") specifying: (i) the number and class of Equity Securities proposed to be issued ("**Issuance Shares**"); (ii) the price per Equity Security of the Proposed Issuance ("**Issuance Price**"); (iii) the manner and time of payment of the subscription amount; (iv) the Company's good faith estimate of the date of the Proposed Issuance; and (v) a calculation showing the number of Issuance Shares each Right Holder is entitled to subscribe to. At least 30 (thirty) days prior to delivering such Issuance Notice, the Company shall in good faith notify and discuss with SoftBank Vision Fund and RA Co regarding the Proposed Issuance, including the matters described in the preceding sentence. In relation to Exempted Equity Issuance, the Company, Founder, SoftBank Vision Fund and RA Co shall act reasonably (as determined by each of the Company, Founder, SoftBank Vision Fund and RA Co in their sole discretion) and in good faith, provided that each of the Company, Founder, SoftBank Vision Fund and RA Co shall not be obligated in any manner and shall not be deemed to have waived, and without prejudice to the foregoing, shall be entitled to exercise in its sole discretion, each of its statutory rights.
- 21.2. Each Right Holder shall be entitled to exercise its Pre-emptive Right by issuing a written notice to the Company, within 30 (Thirty) days from the date of receipt of the Issuance Notice ("**Exercise Notice Period**"), intimating the Company that it wishes to exercise its Pre-emptive Right ("**Exercise Notice**") and also indicating if it chooses to subscribe to more Equity Securities than its entitlement should the Overallotment Right (as defined below) be exercisable and should any of the Right Holders choose not to exercise their Pre-emptive Right, and if so, the maximum number of such additional Equity Securities. Within 7 (Seven) days of the Exercise Notice Period, the Company shall notify in writing ("**Confirmation Notice**") each participating Right Holder of the

total number of shares that will be issued to it. It is clarified that if any of the Right Holders does not exercise its Pre-emptive Right (including by failing to timely deliver an Exercise Notice), and (i) more than one Right Holders have indicated that they are willing to subscribe to additional Equity Securities, and the total number of additional Equity Securities indicated by such participating Right Holders is in excess of the number of declined Equity Securities, the Company shall allocate such declined shares to the relevant participating Right Holders *pro-rata*, in such Right Holders' *inter se* shareholding proportion on a Fully Diluted Basis), which in case of SoftBank Vision Fund shall be equal to an amount up to Standstill Limit (as is indicated by SoftBank Vision Fund in writing); or (ii) if only one Right Holder has indicated willingness to subscribe to additional Equity Securities, the Company shall allocate such declined shares to that Right Holder to the extent of the lower of the total number of declined shares and the number of additional Equity Securities indicated in that Right Holder's Confirmation Notice) (such right to subscribe to additional Equity Securities, pursuant to both (i) and (ii) above, to be referred to as "**Overallotment Right**"), provided however that such Overallotment Right shall be available to (i) SoftBank Vision Fund (and its *pro-rata* entitlements referred to above shall be construed accordingly, notwithstanding anything to the contrary), if it has indicated its willingness to subscribe to additional Equity Securities, up to the lower of (x) the maximum number of additional Equity Securities that SoftBank Vision Fund indicated its willingness to purchase and (y) that number of additional Equity Securities that (together with SoftBank Vision Fund's existing shareholding and the Issuance Shares that it will purchase pursuant to its Pre-emptive Right) will bring SoftBank Vision Fund's aggregate shareholding to the Standstill Limit (or to a higher limit (if any) on its shareholding as may apply under these Articles if the Founder waives or increases the Standstill Limit pursuant to Article 21.6 (*SoftBank Standstill Obligation*)), and (ii) if (and only if) SoftBank Vision Fund does not exercise its Pre-emptive Right but RA Co has done so and has indicated its willingness to subscribe to additional Equity Securities, then the Company shall allocate to RA Co all of the declined shares, up to the maximum number of Equity Securities that RA Co indicated in its Exercise Notice. The relevant Right Holders shall, within 30 (Thirty) days of the date of receipt of the Confirmation Notice remit the consideration for subscribing to the relevant number of Issuance Shares determined as aforesaid, at the Issuance Price and on the terms and conditions set out in the Issuance Notice.

- 21.3. Subject to Article 21.2, the remaining Equity Securities (i.e. Issuance Shares not subscribed by the Right Holders in the Proposed Issuance) shall be issued to any Person approved by the Board subject to these Articles, on the terms and conditions set out in the Issuance Notice within a period of 60 (Sixty) days from the later of the Issuance Notice and the Confirmation Notice. The issuance of such remaining Equity Securities as aforementioned and the issuance of the Equity Securities to the relevant Right Holders pursuant to the exercise of the Pre-emptive Rights shall be simultaneous. In the event the Company does not complete the issuance and allotment to such party within 60 (Sixty) days from the later of the Issuance Notice and the Confirmation Notice, the Company shall not proceed with such issuance and allotment without issuing a fresh Issuance Notice and following the procedure set out in this Article 21. Unless expressly stated otherwise anywhere else in these Articles, the Pre-emptive Right shall not be assignable by any Right Holder to any other Shareholder, Company or Founder.
- 21.4. Notwithstanding the above there exists no commitment by the Right Holders or their Affiliates to further capitalise the Company or to provide finance or any other form of support to the Company, including in the form of loans or guarantees or any security; and each of LSVP and SCI shall be entitled to the Pre-emptive Right under this Article 21.1 (notwithstanding anything contained in these Articles) only until such time as they (along with their Affiliates) collectively hold at least 1.5% (One point Five percent) of the Share Capital on a Fully Diluted Basis (as adjusted to account for any share splits,

bonus issuance, or similar events and subject to the exemption provided under Article 18.6.17 in relation to the increase in the ESOP Pool).

21.5. Anti-Dilution Adjustments:

21.5.1. Anti-Dilution Adjustments for all Investors other than RA Co

- (i) The Investors shall be entitled to broad-based weighted average anti-dilution protection (in accordance with Articles 54, 55, 56, 57, 58, 59, 60, 61, 62, 64, and 64A, as applicable) in relation to any and all Equity Securities (other than any Equity Shares purchased by the Investors from other Shareholders/former Shareholders of the Company) held by the Investors ("**Protected Shares**"), in the event the Company issues any Equity Securities (other than pursuant to the ESOP or an IPO or any other transaction where anti-dilution is waived by each of the affected Investors) at a price per Equity Security that is less than the price paid by the Investors to acquire their respective Protected Shares. To the extent that any of the Investors hold Equity Shares upon conversion, this anti-dilution mechanism shall be accomplished as far as is possible under Law by an adjustment to the Series A Conversion Price, Series A1 Conversion Price, Series B Conversion Price, Series C Conversion Price, Series C1 Conversion Price, Series D Conversion Price, Series D1 Conversion Price, Series E Conversion Price, Series F Conversion Price, Series F2 Conversion Price and/or Series G Conversion Price (as the case may be), and thereafter by issuing such number of Equity Shares to the holders of the Series A CCPS, Series A1 CCCPS, Series B CCCPS, Series C CCCPS, Series C1 CCCPS, Series D CCCPS, Series D1 CCCPS, Series E CCCPS, Series F CCCPS, Series F2 CCCPS, and/or Series G CCCPS, at the lowest price permissible under Law, so as to give full effect to the broad based weighted average anti-dilution rights per the formula set forth in Articles 54, 55, 56, 57, 58, 59, 60, 61, 62, 64, and 64A, as applicable.
- (ii) Nothing hereinabove shall prejudice the rights of the holders of Series A CCPS, Series A1 CCCPS, Series B CCCPS, Series C CCCPS, Series C1 CCCPS, Series D CCCPS, Series D1 CCCPS, Series E CCCPS, Series F CCCPS, Series F2 CCCPS and Series G CCCPS in relation to anti-dilution protection in Articles 54, 55, 56, 57, 58, 59, 60, 61, 62, 64 and 64A, as applicable.

21.5.2. Anti-Dilution Adjustments for RA Co. RA Co shall be entitled to broad-based weighted average anti-dilution protection in relation to the RA Co Protected Shares, in the event, and to the same extent, that anti-dilution rights are triggered with respect to Series F CCCPS pursuant to Article 21.5.1 (*Anti-Dilution Adjustments for all Investors other than RA Co*). For the avoidance of doubt, this anti-dilution mechanism shall be accomplished as far as is possible under Law by issuing such number of Equity Shares to RA Co at the lowest price permissible under Law, so as to give full effect to the broad based weighted average anti-dilution rights of RA Co, as per the formula set forth in Article 62.2.3 with respect to Series F CCCPS (which shall apply mutatis mutandis to the RA Co Protected Shares), provided that the anti-dilution mechanism in respect of the RA Co Protected Shares shall not prejudice in any manner, or be more favourable to the holder thereof in any respect than, the anti-dilution mechanism under Article 21.5.1 (*Anti-Dilution Adjustments for all Investors other than RA Co*) and in Article 62.2.3 with respect to Series F CCCPS or any other rights in respect of the Protected Shares.

21.6. SoftBank Standstill Obligation:

21.6.1. On and from the Effective Date and until the issuance of an Exit Notice, and only to the extent such acquisition by SoftBank Vision Fund and its Affiliates of Equity Securities listed in sub-article (a) and (b) below results in SoftBank Vision Fund's (together with its Affiliates) aggregate shareholding in the Company exceeding 49.99% (Forty Nine point Nine Nine percent) of the Share Capital on a Fully Diluted Basis ("**Standstill Limit**"), SoftBank Vision Fund shall neither (a) purchase or acquire by any means, directly or indirectly through its Affiliates, Equity Securities from any Shareholder (except, pursuant to the exercise of its right of first refusal under Article 29.1 (*Lock-in and Vesting of Shares*) or 29.2 (*Right of First Refusal of Right Holders*) (but solely with respect to proposed Transfers by the Founder) or acquisition of Equity Securities from the Founder or RA Co (in the case of RA Co, provided RA Co is under Founder Control at such time), which rights shall not be restricted by this Article 21.6 (*SoftBank Standstill Obligation*) in any manner whatsoever), nor (b) subscribe to any Equity Securities offered by the Company only to the extent such acquisition will result in SoftBank Vision Fund's (together with its Affiliates) aggregate shareholding in the Company exceeding the Standstill Limit (however, in case of Pre-emptive Rights set out in Article 21.1 above, this restriction shall apply only in connection with the Overallotment Rights (but, in any circumstance involving SoftBank Vision Fund's exercise of its rights under Article 21.1 and 21.2, always subject to Article 21.6.2 below and the Standstill Limit) if solely from the exercise of such Overallotment Right and only to the extent SoftBank Vision Fund's (together with its Affiliates) shareholding in the Company exceeds the Standstill Limit) in the case of each of clause (a) or (b) above, without the prior written approval of the Founder. For the avoidance of doubt, these restrictions contained in this Article 21.6 shall not be applicable upon SoftBank Vision Fund and its Affiliates once the aforementioned relevant approval has been obtained. This Article 21.6 represents an agreement by and only between SoftBank Vision Fund, and the Founder and, shall not create any right, or obligation of SoftBank Vision Fund, in favour of any Shareholder other than the Founder, and shall not be enforceable by any Shareholder other than the Founder. This Article 21.6 can be amended by SoftBank Vision Fund, and the Founder by an agreement in writing without requiring consent from any other Shareholder, so long as such amendment does not create any additional material obligations on any other Shareholder (except the Company); provided, however, that the full or partial increase or waiver of the Standstill Limit or the deletion or irrevocable waiver by the Founder of this Article 21.6 (*SoftBank Standstill Obligation*) in its entirety, and any transaction by SoftBank Vision Fund permitted thereby, will not be deemed to create any additional material obligation on any other Shareholder. Notwithstanding anything to the contrary contained herein or elsewhere, Founder's approval, or consent (including in relation to amendment of this Article 21.6) shall not be required by SoftBank Vision Fund (a) upon (and/or after) the occurrence of a Founder Rights Fall Away Event, and/or (b) in relation to transactions envisaged by Article 29.2 (*Right of first refusal of the Right Holders*) (but solely with respect to proposed Transfers by the Founder) and Article 29.3 (*Tag-Along Right*) or acquisition of Equity Securities from the Founder or RA Co (in the case of RA Co, provided RA Co is under Founder Control at such time). The Company shall not give effect to any issue/transfer of Equity Securities in violation of this Article. Notwithstanding anything to the contrary in Article 19.18 (*Affirmative Voting Matters*) or otherwise, any acquisition of Equity Securities by SoftBank Vision Fund that is permitted by this Article shall not require the consent of RA Co as an Investors Affirmative Voting Matter.

- 21.6.2. Notwithstanding anything to the contrary, the restrictions upon SoftBank Vision Fund and its Affiliates contained in this Article 21.6 shall not (i) be applicable at any time after the issuance of an Exit Notice, (ii) prohibit any issuance or deemed issuance of Equity Securities to SoftBank Vision Fund pursuant to any anti-dilution adjustments, Capital Restructuring and/or any Adjustment Events, made in accordance with these Articles, (iii) restrict, in any manner whatsoever, SoftBank Vision Fund's exercise of its Pre-emptive Rights under Article 21.1 and 21.2 to the extent SoftBank Vision Fund's (together with its Affiliates) aggregate shareholding in the Company does not exceed the Standstill Limit pursuant to such exercise or its right of first refusal under Article 29.1 (*Lock-in and Vesting of Shares*) and 29.2 (*Right of First Refusal of the Right Holders*) (but solely with respect to proposed Transfers by the Founder) or right of first offer (but solely with respect to proposed Transfers by RA Co (so long RA Co is under Founder Control)) under Article 29.8 (*Right of First Offer of SoftBank Vision Fund*), even if, after the exercise of any such rights and acquisition of Equity Securities pursuant thereto SoftBank Vision Fund's (together with its Affiliates) aggregate shareholding in the Company exceeds the Standstill Limit,, and/or (iv) impact SoftBank Vision Fund's entitlement to Liquidation Proceeds (and Liquidation Preference in accordance with the terms of these Articles) or the anti-dilution protection in any manner whatsoever.
- 21.6.3. For avoidance of doubt and notwithstanding anything to the contrary contained herein or elsewhere, it is hereby clarified and confirmed that under any circumstances (including, without limitation the nature and type of rights being acquired or Transferred by any Person or entity which shall be disregarded for this purpose) the following event(s) specified in (i) and (ii) below shall not be deemed to be (nor otherwise be deemed to result in) (x) a Liquidity Event (and thus payment of Liquidation Proceeds pursuant to Article 33 shall not be required in such a scenario) and/or, (y) a change of Control of the Company:
- (i). any acquisition(s) or purchase (in one or more transactions, including, by way of a subscription and/or Transfer) of Equity Securities by SoftBank Vision Fund which results in SoftBank Vision Fund's (together with its Affiliates) aggregate shareholding in the Company remaining below or equal to the Standstill Limit,;
 - (ii). Transfer by SoftBank Vision Fund and/or its Affiliates (in one or more tranches) to any one or more Person(s) of any of its Equity Securities up to such number of Equity Securities which represent equal to or less than the Standstill Limit in a manner such that the aggregate shareholding calculated on a Fully Diluted Basis of such Person(s) to whom such Equity Securities are Transferred does not exceed the Standstill Limit because of such Transfer from SoftBank Vision Fund and/or its Affiliates (it being understood that if any such Person(s) owns (i) less than 50% (Fifty percent) in aggregate of the voting power of the Company prior to such Transfer by SoftBank Vision Fund and/or its Affiliates, and (ii) over 50% (Fifty percent) in aggregate of the voting power of the Company immediately following (and as a result of) such Transfer by SoftBank Vision Fund and/or its Affiliates, such Transfer shall be deemed to result in a change of Control of the Company).
- 21.6.4. Notwithstanding anything to the contrary, nothing contained in this Article 21.6 shall impose any obligation to comply with the restrictions (or standstill obligation) contained in this Article 21.6 upon any purchaser or transferee of Equity Securities from SoftBank Vision Fund and/or its Affiliates and the

restrictions contained in this Article 21.6 shall not be applicable (in any manner whatsoever) upon such purchaser or transferee of Equity Securities from SoftBank Vision Fund and/or its Affiliates, so long as such purchaser or transferee is not, and continues not to be an Affiliate of SoftBank Vision Fund.

For the purpose of this Article 29, the term "**Cause**" shall mean any of the

following:

- (a) The Founder being charged with, or an equivalent action initiated against the Founder in cases where formal charges are not required to be framed for (unless such charge or action is in bad faith, baseless or motivated for other similar reasons), (i) any criminal act involving moral turpitude; (ii) deceit, embezzlement, theft, forgery, fraud or breach of fiduciary duty involving personal benefit and causing material harm to the Company, provided that this shall not apply to indirect allegations made against him as a Director or an officer of the Company, wherein such alleged act or omission is demonstrably not caused by any direct action of the Founder in that capacity, or (iii) any wilful personal act against the Company, provided, in each of (i), (ii) and (iii) above, that the aforesaid charge or action, as the case may be, is not withdrawn or dismissed within 180 (One Hundred and Eighty) days; or
- (b) Gross negligence or any wilful misconduct of the Founder in connection with the performance of the Founder's duties under the employment agreement, including refusing to attend to the Business.

The terms of the Founder's employment (whether contained in any employment agreement or in any resolution passed or elsewhere) shall be subordinated to, and shall take effect only, subject to these Articles. For avoidance of doubt, it is hereby clarified that in the event of any inconsistency or conflict between terms of his employment and the provisions of these Articles, the provisions of these Articles shall prevail to the extent of the inconsistency or conflict.

- 29.1.9. In the event: (i) the Founder's employment is terminated without Cause, then the 2/3rd (Two Third) of the Restricted Shares (not released as on such date) shall cease to be Restricted Shares and shall become Released Shares; or (ii) of death or permanent disability of the Founder, all of the Restricted Shares (not released as on such date) shall cease to be Restricted Shares and shall become Released Shares.
- 29.1.10. In the event the Founder's employment is terminated (whether due to resignation in accordance with his employment agreement or termination with or without Cause), the Founder shall retain the right to nominate 1 (One) Director to the Board (other than the CEO, whom the Board shall appoint, and who shall also be appointed to the Board in place of a Nominee Director) provided that for this right to subsist, the aggregate shareholding of the Founder must not be less than 3% (Three percent) of the Share Capital on a Fully Diluted Basis. The Founder shall lose the right to nominate any and all Directors to the Board, if the aggregate shareholding of the Founder falls below 3% (Three percent) of the Share Capital on a Fully Diluted Basis. The Founder shall vote with the Investors in case a Shareholders' resolution is required to implement the above.
- 29.1.11. Upon occurrence of a Liquidity Event, all Restricted Shares (not released as on such date) shall cease to be Restricted Shares and shall become Released Shares.
- 29.1.12. The Founder shall have customary voting rights, as prescribed under the Act, in respect of all the Equity Securities held by him whether or not classified as Released Shares.

29.1.13. The Company shall not record any such Transfer or agreement or arrangement to Transfer in its books and shall not recognise or register any equitable or other claim to, or any interest in, such Equity Securities which have been Transferred in any manner other than as permitted under this Article 29 and all such purported Transfers shall be void *ab initio*, as well as a breach of the Shareholders' Agreement.

29.1.14. In the event of Transfer of Equity Securities pursuant to this Article 29, the proposed transferee shall execute a Deed of Adherence.

29.1.15. Notwithstanding anything contrary contained in these Articles, the transfer restrictions contained under Article 29.1 (*Lock-in and Vesting of Shares*), Article 29.2 (*Right of first refusal of the Right Holders*) and Article 29.3 (*Tag-Along Right*) of these Articles shall not apply in relation to the following Transfers:

- (a) Transfer of Top-Up Shares from the Founder to an Identified Employee or to a trust settled for the benefit of such Identified Employees (which may include the Founder but shall exclude in all cases RA Co) or from the said trust to an Identified Employee; provided that the Transfer shall be made for no valuable consideration and without creating any additional rights in favour of such Identified Employee;

For avoidance of doubt, it is hereby clarified that in case the direct or indirect aggregate Transfer of Top-Up Shares to an Identified Employee (or such employee's Affiliates) constitutes more than 10% (Ten percent) of the Top-Up Shares, then such Transfer shall always be subject to the prior written approval of each of RA Co and SoftBank Vision Fund;

- (b) Transfer of Equity Securities by the Founder to his Immediate Family/or trusts established for the benefit of his Immediate Family or wholly owned Affiliates, for bona fide estate planning purposes, provided that any such Transfer shall be subject to: (i) the Founder providing to each of RA Co and SoftBank Vision Fund: (A) 15 (Fifteen) days prior written notice of such Transfer, together with reasonable evidence of the bona fide estate planning purpose of such Transfer; and (B) an executed copy of a Deed of Adherence; (ii) the Founder shall, at all times, exercise sole control of any such trust, including over the voting or Transfer of any such Equity Securities; and (iii) the Founder shall at all times exercise, subject to applicable Law, sole control over any such Equity Securities Transferred to any Immediate Family members, including over the voting or Transfer of any such Equity Securities; but, subject to compliance with the foregoing conditions and all other applicable terms of these Articles, shall not be subject to a prior consent of the Company, or the Shareholders (including RA Co and SoftBank Vision Fund);

For avoidance of doubt, it is hereby clarified that any Transfer contemplated in Article 29.1.15(a) and Article 29.1.15(b) shall continue to remain subject to transfer and other restrictions applicable to the Founder under these Articles and that Restricted Shares, if so Transferred, shall continue to remain Restricted Shares and shall become Released Shares only in accordance with the provisions contained under these Articles; and

- (c) Transfer by the Oravel Trust to an employee pursuant to exercise of

options by an employee under the ESOP.

For avoidance of doubt, and without limiting Article 29.2 and Article 29.3, any Transfer by or from an employee to a Third Party, shall be subject to transfer and other restrictions applicable to the Founder, including, those contained under Article 29.1.16 below as well as Article 29.2 (*Right of first refusal of the Right Holders*) and 29.3 (*Tag-Along Right*) of these Articles. For the avoidance of doubt, any Transfer by the Founder (or any of his Affiliates or associated persons) to RA Co or any of its holding vehicles or controlled Affiliates shall be subject to Article 29.2 (*Right of first refusal of the Right Holders*) and Article 29.3 (*Tag-Along Right*);

Provided, however, that, each of HT, Microsoft and InCred shall, under no circumstances whatsoever, be entitled to:

- (i). the right of first refusal under Article 29.2 (*Right of first refusal of the Right Holders*) in relation to, or for the purposes of, any Transfer of Equity Securities; and
- (ii). tag-along right under Article 29.3 (*Tag-Along Right*) in relation to, or for the purposes of, the following Transfer of Equity Securities:
 - (A) Transfer by the Oravel Trust to an employee pursuant to exercise of options by an employee under the ESOP; and
 - (B) Transfer of Equity Securities by any Shareholder (other than the Founder).

Provided further, however, that Khazanah shall, under no circumstances whatsoever, be entitled to:

- (i) the right of first refusal under Article 29.2 (*Right of first refusal of the Right Holders*); provided, however, in case of any Transfer of more than 25% (Twenty-Five Percent) of total Equity Securities held by the Founder in the Company as of October 28, 2024 ("**Permissible Limit Securities**"), Khazanah shall be entitled to the right of first refusal under Article 29.2 (*Right of first refusal of the Right Holders*) with respect to the Equity Securities which are incremental and over and above the Permissible Limit Securities; and
- (ii) the tag-along right under Article 29.3 (*Tag-Along Right*), in relation to, or for the purposes of: (A) Transfer of Equity Securities by Oravel Trust to an employee pursuant to exercise of options by an employee under the ESOP; and (B) Transfer of Equity Securities by a Shareholder; provided, however, in case of any Transfer of more than Permissible Limit Securities, Khazanah shall be entitled to the tag-along right under Article 29.3 (*Tag-Along Right*) with respect to the Equity Securities which are incremental and over and above the Permissible Limit Securities.

29.1.16. **Transfer of Equity Securities by employee shareholders (other than the Founder):** No Shareholder (other than the Founder) who has acquired Equity Securities by virtue of being an employee of the Company shall Transfer in any

way or manner any of the Equity Securities, held by him, without the prior approval of the Board and the prior written approval of each of RA Co and SoftBank Vision Fund. Even upon receiving such approval, the Shareholder (other than the Founder), shall be entitled to Transfer only such number of Shares held by him for which the prior approval has been obtained, subject to the conditions contained in Article 29.2 (*Right of first refusal of the Right Holders*) and 29.3 (*Tag-Along Right*).

29.1.17. Except as otherwise expressly provided herein, for the avoidance of doubt, any Transfer restrictions as applicable only to the Founder in his individual capacity under this Article 29.1, shall not be applicable to RA Co.

29.2. Right of first refusal of the Right Holders:

29.2.1. Subject always to Article 29.1 above, if the Founder or any Shareholder (other than the Right Holders) proposes to Transfer any of the Equity Securities held by them in the Company, either directly or indirectly, to any Person, then each of the Right Holders shall have a right of first refusal in respect of such Transfer *pro-rata* to their *inter se* shareholding in the Company.

The process to be followed for the exercise of the right of first refusal is set out below:

- (a) Any of the Founder or other Shareholder (other than the Right Holders) proposing to Transfer any Equity Securities ("**Transferring Shareholder**"), shall first give a written notice (hereinafter referred to as "**ROFR Notice**") to each Right Holder. The ROFR Notice shall state (i) the identity of the proposed transferee, (ii) the number of Equity Securities proposed to be Transferred (hereinafter referred to as the "**Transfer Shares**") and the number and class of Equity Securities the Transferring Shareholder owns at that time on a Fully Diluted Basis, (iii) the proposed price per Equity Security for the Transfer Shares ("**ROFR Price**") and other material terms and conditions, if any, of the proposed Transfer, and (iv) the proposed date of consummation of the proposed Transfer. Such notice shall be accompanied by documents evidencing key commercial terms as agreed between the Transferring Shareholder and the proposed transferee.
- (b) Each Right Holder shall be entitled to purchase (either by itself or through an Affiliate or nominee) such portion of such Transfer Shares equal to the relevant Right Holder's *inter se* Right Holder shareholding proportion by serving a written notice ("**ROFR Exercise Notice**") on the Transferring Shareholder prior to the expiry of 30 (Thirty) days from the date of receipt of the ROFR Notice ("**ROFR Period**"), specifying the number of Equity Securities with respect to which such Right Holder proposes to exercise (either by itself or through an Affiliate or a nominee) its right of first refusal. In the event that any Right Holder decides to exercise its right of first refusal, the Transferring Shareholder shall Transfer such number of Equity Securities to such Right Holder as mentioned in the ROFR Exercise Notice at the ROFR Price and on the terms as are mentioned in the ROFR Notice, within the period mentioned in the ROFR Notice or within 30 (Thirty) days of such Right Holder delivering the ROFR Exercise Notice, whichever is later. In the event of any of the Right Holder not electing to exercise his/its right of first refusal ("**Non-electing Right Holder**") and the other Right Holders electing to exercise their right of first refusal ("**Electing Right**

Holders”), the Electing Right Holders shall be entitled, but not obligated, to purchase all the Unelected Sale Shares proportionate to their *inter se* shareholding. The Non-electing Right Holder shall not have a Tag Along Right in the event of purchase of Unelected Sale Shares by an Electing Right Holder. For the purposes of this Article, “**Unelected Sale Shares**” shall mean such of the Transfer Shares as are not purchased by a Right Holder pursuant to its right of first refusal under this Article 29.2.1.

- (c) In the event that all of the Right Holders do not deliver ROFR Exercise Notice to the Transferring Shareholder prior to the expiry of the ROFR Period or deliver ROFR Exercise Notice to purchase less than all the Transfer Shares or Unelected Sale Shares, as the case may be, upon the expiry of the ROFR Period, (but after compliance with Article 29.3) the Transferring Shareholder shall be entitled to Transfer the Transfer Shares or the Unelected Sale Shares, as the case may be, to any proposed transferee mentioned in the ROFR Notice, on materially the same terms and conditions mentioned in the ROFR Notice and at a price per Equity Security no less than the ROFR Price and on terms no more favourable to such proposed transferee than the terms offered to the Right Holders in the ROFR Notice, provided that such proposed transferee shall execute a Deed of Adherence.
- (d) If completion of the sale and Transfer to such proposed transferee does not take place within the period of 90 (Ninety) days following the expiry of the ROFR Period, the Transferring Shareholder’s right to sell the Transfer Shares shall lapse and the provisions of Article 29.1 shall once again apply to the Transfer Shares.
- (e) Where any Right Holder requires prior legal, governmental, regulatory or shareholder consent for acquiring the Transfer Shares pursuant to these Articles, then, notwithstanding any other provision of these Articles, such Right Holder shall only be obliged to acquire the Transfer Shares once such consent or approval is obtained, and the Shareholders shall use their reasonable endeavours to obtain any such required approvals.

29.3. Tag-Along Right:

29.3.1. In the event that any Right Holder, does not exercise its right of first refusal, as provided in Article 29.2 above, such Right Holder shall have the right (“**Tag Along Right**”) to sell up to such number of Equity Securities held by such Right Holder on a *pro-rata* basis (computed on a Fully Diluted Basis) in the proposed Transfer by the Transferring Shareholder at the same price per Equity Security (which shall not be less than the ROFR Price) and on the same terms on which the Transferring Shareholder proposes to Transfer the Transfer Shares. Provided however that if (i) the Founder proposes to sell/Transfer such number of Equity Securities as will result in the Founder, ceasing to hold at least 10% (Ten percent) of the Share Capital; or (ii) the Founder proposes to sell/Transfer any Equity Securities in connection with a change of Control of the Company, a Drag Sale or an exit under Article 30.8, except in each case in connection with Founder’s tag-along rights pursuant to Article 29.4.1 below, then in each case the Right Holders shall have a Tag Along Right, to the extent of all the Equity Securities held by the Right Holders and all such Equity Securities shall be deemed to be Tag Along Shares for the purposes of this Article 29.3.

- 29.3.2. If any Right Holder desires to exercise its Tag Along Right, it shall exercise the said right by giving the Transferring Shareholder a written notice (“**Tag Along Exercise Notice**”) to that effect within the ROFR Period, specifying the number of Equity Securities held by it with respect to which it has elected to exercise its Tag Along Right, (“**Tag Along Shares**”) and upon giving such Tag Along Exercise Notice, such Right Holder shall be deemed to have effectively exercised its Tag Along Right.
- 29.3.3. In the event any Right Holder decides to exercise the Tag Along Right, the Transferring Shareholder shall cause the proposed transferee to purchase from such Right Holder, the Tag Along Shares at the same price per Equity Security at which the Transfer Shares are being purchased from the Transferring Shareholder, and shall not transfer any of the Transfer Shares unless the proposed transferee also simultaneously purchases the Tag Along Shares. Such Right Holder will not be required to make any representation, provide any covenants or undertakings, grant any indemnifications or incur any obligations to the proposed transferee or any other Person (other than a representation on the clear title of the Tag Along Shares). The Transferring Shareholder shall ensure that all of the terms of the proposed Transfer offered by the proposed transferee are also offered to such Right Holder for the same consideration, provided that the Right Holder may, subject to applicable Law, choose to receive (in its absolute discretion) the cash equivalent of any such consideration which is in a form other than cash.
- 29.3.4. If for any reason, the proposed transferee acquiring the Transfer Shares hereunder is unable to or refuses to acquire the Tag Along Shares in respect of which any Right Holder has exercised its Tag Along Right (or any part thereof) within 90 (Ninety) days, then, at the sole option of the relevant Right Holders, the Transferring Shareholder shall not be entitled to Transfer any of the Transfer Shares held by them in the Company to such proposed transferee.
- 29.3.5. It is clarified that in the event that a Transfer under this Article 29.3 qualifies as a Liquidity Event, the Investors (or any other holder of the Series G CCCPS) shall, with respect to each Equity Security held by the Investors (or any other holder of the Series G CCCPS) involved in such exit, be entitled to receive no less than their respective Preference Amount.
- 29.3.6. It is further clarified that no Shareholder shall be permitted to exercise their Tag Along Right (in relation to the Equity Securities up to the Permitted Transfer Amount) in case the Right Holders choose to avail their right of first refusal for any Permitted Transfer Amount as specified in Article 29.2.1 herein.
- 29.4. Founder Tag-Along Right:
- 29.4.1. In the event any Right Holder (other than SoftBank Vision Fund and/or its Affiliates (or any acquirers or purchasers of Equity Securities from SoftBank Vision Fund and/or its Affiliates) or RA Co and/or its Affiliates) or RA Co and/or its Affiliates so long as RA Co is under Founder Control) proposes to sell/Transfer any Equity Securities in connection with a change of Control of the Company (such Right Holder, “**Minority Transferor**”), then the Founder shall have a tag along right to sell up to such number of Equity Securities held by the Founder which are equal to (but do not exceed) the relevant Permitted Transfer Amount in aggregate and all such Equity Securities up to (but not exceeding) the relevant Permitted Transfer Amount shall be regarded as Tag Along Shares for the purposes of Article 29.3 (“**Founder Tag Along Shares**”).

It is clarified with respect to the Founder Tag Along Shares that: (a) No Right Holder may exercise any rights under Article 29.3, i.e. the Right Holders will not have the Tag Along Right in connection with the Transfer by the Founder of such Founder Tag Along Shares in accordance with Article 29.4.1; and (b) only those Right Holders who are not Minority Transferors shall be entitled to exercise their rights under Article 29.2 (*Right of first refusal of the Right Holders*) and the rights of such Right Holders shall continue to remain available unabated.

The Minority Transferor shall give a notice to the Founder, Company and SoftBank Vision Fund stating therein (i) the identity of the proposed transferee, (ii) the number and type of Equity Securities proposed to be Transferred, (iii) the proposed price per Equity Security and other material terms and conditions, if any, of the proposed Transfer and (iv) the proposed date of consummation of the proposed Transfer. Such notice shall be accompanied by documents evidencing key commercial terms as agreed between the Minority Transferor and any proposed transferee, and Founder shall have 30 (Thirty) days to exercise its tag along right by giving the Minority Transferor (with a copy to Company and SoftBank Vision Fund) a written notice to that effect.

- 29.4.2. For the avoidance of doubt, it is clarified that if, for any reason, the proposed transferee identified by the Founder (for the purposes of Article 29.3.1) or the Minority Transferor (for the purposes of Article 29.4.1) is unable to or refuses to acquire the Tag Along Shares or the Founder Tag Along Shares, as the case may be, the Founder or the Minority Transferor, as the case may be, shall not be entitled to Transfer any Equity Securities to such proposed transferee.

Notwithstanding anything to the contrary, the Founder shall have no such rights under this Article 29.4 in case the Transferor is SoftBank Vision Fund and/or its Affiliates (or any acquirer(s) or purchaser(s) of Equity Securities from SoftBank Vision Fund and/or its Affiliates).

- 29.5. Transfers by Investors: The Equity Securities held by the Investors under these Articles shall at all times be freely Transferable to any Person (including Affiliates) without the prior consent of any Person, including the Company or the Founder. The holders of Series A CCPS, Series A1 CCCPS, Series B CCCPS, Series C CCCPS, Series C1 CCCPS, Series D CCCPS, Series D1 CCCPS, Series E CCCPS, Series F CCCPS, Series F2 CCCPS, Series G CCCPS or the Equity Shares, including any Equity Shares issued to RA Co, the foregoing Equity Securities have converted into, shall have standard and customary marketing rights associated with any sale or Transfer of the shares of Series A CCPS, Series A1 CCCPS, Series B CCCPS, Series C CCCPS, Series C1 CCCPS, Series D CCCPS, Series D1 CCCPS, Series E CCCPS, Series F CCCPS, Series F2 CCCPS, Series G CCCPS or the Equity Shares, including any Equity Shares issued to RA Co, the foregoing Equity Securities have converted into, respectively. In the event that the holders of the Series A CCPS, Series A1 CCCPS, Series B CCCPS, Series C CCCPS, Series C1 CCCPS, Series D CCCPS, Series D1 CCCPS, Series E CCCPS, Series F CCCPS, Series F2 CCCPS, Series G CCCPS, including any Equity Shares issued to RA Co, or the Equity Shares the foregoing Equity Securities have converted into, desire to sell any or all of their shares, the Company shall provide reasonable cooperation, including recording the Transfer of Equity Securities (which shall not materially interfere with the Business of the Company) to the selling Shareholders in connection with such sale, including without limitation, by providing the selling Shareholders with all documentation reasonably requested in writing to assist in such sale and by making available members of its management for discussion with potential acquirers (subject to execution of confidentiality and non-disclosure agreements between the Company and the potential acquirers). Notwithstanding the provisions contained in this Article 29.5, prior to completion of

the Exit Period, the Investors and all other Shareholders shall not, without the prior written permission of the Founder, Transfer or attempt to Transfer their Equity Securities to a Competitor; provided that the Founder's permission will not be required: (i) if a Founder Rights Fall Away Event has occurred; or (ii) after the expiry of the Exit Period; whichever is earlier and, in the case of (i) above, SoftBank Vision Fund has given its prior written approval for such Transfer. For the avoidance of doubt, SoftBank Vision Fund shall not be required to give its prior written approval if a Founder Rights Fall Away Event occurs after the Exit Period.

It is clarified that in the event that any Shareholder Transfers any Equity Securities to a Competitor in accordance with this Article 29.5, the other Shareholders (including the Founder up to the Permitted Transfer Amount, provided that such Shareholder Transferring Equity Securities to a Competitor is not RA Co or any of its Affiliates, if RA Co is then under Founder Control) shall be free to Transfer their Equity Securities (if, and to the extent, they are otherwise Transferable in accordance with the terms of these Articles) to such Competitor.

Further, and notwithstanding anything to the contrary, but always subject to the paragraph above, prior to the completion of the Exit Period the Founder shall not, without the prior written approval of each of RA Co and SoftBank Vision Fund, Transfer or attempt to Transfer his Equity Securities to a Competitor.

- 29.6. Notwithstanding anything to the contrary contained anywhere else under the Articles, Airbnb undertakes and agrees that it shall not purchase or acquire by any means, directly or indirectly (including through its Affiliates), Equity Securities from any Shareholder without the prior written consent of the Founder. Any acquisition of Equity Securities by Airbnb in a manner contrary to Article 29.6 shall be void ab initio.
- 29.7. It is clarified that where the number of Equity Securities that a Right Holder is entitled to purchase under Article 29.2 and/or sell under Article 29.3 is determined based on the Right Holders' *inter se* shareholding or such Right Holder's shareholding in the Company, the relevant Right Holders' shareholding on a Fully Diluted Basis shall be considered.
- 29.8. Right of First Offer of SoftBank Vision Fund:
- 29.8.1. If any of RA Co, LSVP or SCI (as applicable, the "**Transferring ROFO Shareholder**") intends to make or pursue any Transfer of any of its Equity Securities (other than to their respective Affiliates), it shall first give SoftBank Vision Fund a written notice (the "**ROFO Notice**") with respect to the proposed Transfer, provided that the provisions of this Article 29.8 (*Right of First Offer of SoftBank Vision Fund*) shall apply to RA Co only if it proposes to Transfer any of its Equity Securities to Mr. Masayoshi Son or any of his Affiliates. The Transferring ROFO Shareholders shall not Transfer any of their respective Equity Securities except in accordance with this Article 29.8 (*Right of First Offer of SoftBank Vision Fund*).
- 29.8.2. The ROFO Notice shall state (i) the number of Equity Securities proposed to be Transferred (the "**ROFO Transfer Shares**"); and (ii) the number and class of Equity Securities the Transferring ROFO Shareholder owns at that time on a Fully Diluted Basis.
- 29.8.3. SoftBank Vision Fund shall be entitled to make an offer to purchase (either by itself or through an Affiliate or designee) all (but, subject to Article 29.8.7, not less than all) of such ROFO Transfer Shares by serving a written notice ("**ROFO Exercise Notice**") on the Transferring ROFO Shareholder prior to the expiry of

30 (Thirty) days from the date of receipt of the ROFO Notice ("**ROFO Period**") which shall state: (i) the proposed price per Equity Security for the ROFO Transfer Shares ("**ROFO Price**"); and (ii) any other terms and conditions in relation to the purchase of such ROFO Transfer Shares.

- 29.8.4. Upon receipt of the ROFO Exercise Notice, in the event the terms set out in the ROFO Exercise Notice are acceptable to the Transferring ROFO Shareholder, the Transferring ROFO Shareholder shall communicate their acceptance to Transfer the ROFO Transfer Shares to SoftBank Vision Fund by serving a written notice ("**ROFO Acceptance Notice**") within 15 (Fifteen) days from the receipt the ROFO Exercise Notice ("**ROFO Acceptance Period**"). Upon issuance of the ROFO Acceptance Notice, the Transferring ROFO Shareholder shall sell, and SoftBank Vision Fund shall purchase, all (but, subject to Article 29.8.7, not less than all) of the ROFO Transfer Shares within 30 (Thirty) days of the Transferring ROFO Shareholder delivering the ROFO Acceptance Notice, or such other date as may be mutually agreed between the Transferring ROFO Shareholder and SoftBank Vision Fund ("**ROFO Expiry Date**"). For the avoidance of doubt, if the Transferring ROFO Shareholder does not duly deliver a ROFO Acceptance Notice to SoftBank Vision Fund within the ROFO Acceptance Period, then SoftBank Vision Fund's offer to the Transferring ROFO Shareholder to acquire the ROFO Transfer Shares shall irrevocably lapse.
- 29.8.5. In the event that (i) SoftBank Vision Fund does not deliver a ROFO Exercise Notice to the Transferring ROFO Shareholder prior to the expiry of the ROFO Period, or (ii) the Transferring ROFO Shareholder does not deliver the ROFO Acceptance Notice prior to the expiry of the ROFO Acceptance Period, or (iii) SoftBank Vision Fund is unable to arrange for payment of the ROFO Transfer Shares prior to the ROFO Expiry Date (for the avoidance of doubt, such date shall automatically be extended to account for any failure of the ROFO Transferring Shareholder to be ready, willing and able to consummate the sale on the of the ROFO Transfer Shares as contemplated hereby), then (but only: (i) after compliance with Article 29.9 (*Additional Tag-Along Right of Certain Investors*) if RA Co is the Transferring ROFO Shareholder; and (ii) subject to the terms of any other provision of these Articles governing the Transfer of Equity Securities) the Transferring ROFO Shareholder shall be entitled (but not obliged) to Transfer all (but not less than all) of the ROFO Transfer Shares to any proposed transferee, at a price per Equity Security which exceeds the ROFO Price by at least 10% (Ten percent) and on terms no more favourable to such transferee than the terms (if any) offered by SoftBank Vision Fund in the ROFO Exercise Notice.
- 29.8.6. If completion of the sale and Transfer to such proposed transferee does not take place within the period of 90 (Ninety) days following the ROFO Expiry Date, the Transferring ROFO Shareholder's right to sell the ROFO Transfer Shares shall lapse and the provisions of this Article 29.8 (*Right of First Offer of SoftBank Vision Fund*) shall once again apply to the ROFO Transfer Shares, provided that if SoftBank Vision Fund duly delivered a ROFO Exercise Notice but the Transferring ROFO Shareholder did not deliver a ROFO Acceptance Notice within the ROFO Acceptance Period, and the Transferring ROFO Shareholder has failed to Transfer all of the ROFO Transfer Shares to a third party on such terms permitted by Article 29.8.5 within such 90 (Ninety) day period following the ROFO Expiry Date, then, for a period of 6 (Six) months from the expiry of the 90 (Ninety) day period following the ROFO Expiry Date ("**ROFO Restricted Period**"), the Transferring ROFO Shareholder shall be restricted from: (x) serving a ROFO Notice to SoftBank Vision Fund pursuant to Article 29.8.1 above and (y) Transferring any of its Equity Securities to any proposed transferee

(except SoftBank Vision Fund). It is further clarified, that the Transferring ROFO Shareholder shall be entitled to initiate the Transfer of any of its Equity Securities in accordance with and after complying again with all of the terms of this Article 29.8 (*Right of First Offer of SoftBank Vision Fund*) after the expiry of the ROFO Restricted Period.

- 29.8.7. Where SoftBank Vision Fund requires prior legal, governmental, regulatory or shareholder consent (including consent of the Founder) for acquiring the ROFO Transfer Shares pursuant to these Articles, then, notwithstanding any other provision of these Articles, (i) SoftBank Vision Fund shall only be obliged to acquire the ROFO Transfer Shares once such consent or approval is obtained, and RA Co, LSVP or SCI (as applicable) shall use their reasonable endeavours to obtain any such required approvals and (ii) SoftBank Vision Fund may at any time, in its sole discretion, reduce the number of ROFO Transfer Shares that it elects to purchase in order to comply with, facilitate or avoid any such required legal, governmental, regulatory or shareholder consent, and in such case the Transferring ROFO Shareholder shall Transfer such reduced number of ROFO Transfer Shares to SoftBank Vision Fund; provided that if the consummation of the acquisition of any ROFO Transfer Shares by SoftBank Vision Fund does not take place within 6 (Six) months from the date on which the ROFO Acceptance Notice is delivered due to the failure to obtain any governmental, regulatory or shareholder consent, then SoftBank Vision Fund's right and obligation to acquire such ROFO Transfer Shares shall lapse, and the Transferring ROFO Shareholder shall be entitled to Transfer such ROFO Transfer Shares to a third party in accordance with Article 29.8.5 and Article 29.8.6.
- 29.8.8. For the avoidance of doubt, neither LSVP nor SCI shall be required to give SoftBank Vision Fund a right of first offer in connection with any sale of Equity Securities in any IPO.
- 29.9. Additional Tag-Along Right of Certain Investors:
- 29.9.1. SoftBank Vision Fund agrees to grant a tag-along right to RA Co, LSVP and SCI in case of certain Transfers by SoftBank Vision Fund, and RA Co agrees to grant a tag-along right to SoftBank Vision Fund in case of certain Transfers by RA Co, in each case, on the terms and subject to the conditions of this Article 29.9 (the "**Specified Investor Tag- Along Right**").
- 29.9.2. For purposes of this Article 29.9 (*Additional Tag-Along Right of Certain Investors*), the Investor that proposes to Transfer Equity Securities is referred to as the "**Transferring Investor**" and each Investor that may exercise the Specified Investor Tag-Along Right (i.e., RA Co, LSVP and SCI in the case of Transfers by SoftBank Vision Fund, and SoftBank Vision Fund in the case of Transfers by RA Co) is referred to as a ("**Tagging Investor**").
- 29.9.3. If the Transferring Investor proposes to Transfer any of its Equity Securities, it shall give each Tagging Investor the Specified Investor Tag-Along Right to sell up to such number of Equity Securities representing such Tagging Investor's Tag-Along Allotment in the proposed Transfer at the same price per Equity Security and on the same terms on which the Transferring Investor proposes to Transfer its Equity Securities, subject to the other terms of this Article.
- 29.9.4. Each Tagging Investor's "**Tag-Along Allotment**" means such number of Equity Securities which is obtained by the product of: (i) the number of Equity Securities that the Transferring Investor proposes to Transfer; and (ii) a fraction, (A) the numerator of which is the number of Equity Securities that the

Transferring Investor proposes to Transfer, and (B) the denominator of which is the number of Equity Securities owned by the Transferring Investor immediately before the completion of the proposed Transfer determined on a Fully Diluted Basis. For the avoidance of doubt, there shall be no “over-allotment” right for any Tagging Investor in the event that one or more other Tagging Investors do not exercise their Specified Investor Tag-Along Right in full.

- 29.9.5. The Transferring Investor shall give written notice to each Tagging Investor of (i) the identity of the proposed transferee, (ii) the number of Equity Securities proposed to be Transferred, (iii) the number and class of Equity Securities the Transferring Investor owns at that time on a Fully Diluted Basis, (iv) the proposed price per Equity Security of the Equity Securities in the proposed Transfer and other material terms and conditions, if any, of the proposed Transfer, and (v) the proposed date of consummation of the proposed Transfer. Such notice shall be accompanied by documents (if any) evidencing key commercial terms as agreed between the Transferring Investor and the proposed transferee.
- 29.9.6. If a Tagging Investor desires to exercise its Specified Investor Tag-Along Right, it shall exercise the said right by giving the Transferring Investor a written notice to that effect within 30 (thirty) days after its receipt of the notice contemplated in Article 29.9.5 above, specifying the number of Equity Securities held by it with respect to which it has elected to exercise its tag-along right (“**Tagged Shares**”), which may be equal to or less than its Tag-Along Allotment. It is further understood and agreed that RA Co, in its capacity as a Tagging Investor, shall not exercise its tag-along right under this Article 29.9 (*Additional Tag-Along Right of Certain Investors*) without the prior written approval of the Founder.
- 29.9.7. The Transferring Investor may Transfer to the specified transferee all of its Equity Securities specified in the written notice delivered pursuant to Article 29.9.5, together with any Tagged Shares duly elected to be Transferred pursuant to Article 29.9.6. In the event a Tagging Investor decides to exercise its tag-along right under this Article 29.9 (*Additional Tag-Along Right of Certain Investors*), the Transferring Investor shall cause the proposed transferee to purchase from the Tagging Investor its Tagged Shares at the same price per Equity Security at which the Transferring Investor is selling its Equity Securities to the transferee. The Transferring Investor shall not Transfer any of its Equity Securities unless the proposed transferee also simultaneously purchases the Tagged Shares. The Transferring Investor shall ensure that all of the terms of the proposed Transfer offered by the proposed transferee are also offered to such Tagging Investor for the same consideration.
- 29.9.8. Notwithstanding anything to the contrary herein, the Specified Investor Tag-Along Right shall not be available:
- (i) To any of SoftBank Vision Fund, RA Co, LSVP and SCI in the case of any Transfer in connection with or following an IPO;
 - (ii) To any of RA Co, LSVP and SCI in the case of any Transfer by SoftBank Vision Fund to any Affiliate;
 - (iii) To SoftBank Vision Fund in the case of any Transfer by RA Co to any special purpose holding vehicles which are wholly owned and controlled by RA Co;

- (iv) To SoftBank Vision Fund in case of any Transfer by RA Co to the Founder (if such Transfer is in compliance with Article 29.10 below);
- (v) To RA Co in any proposed Transfer by SoftBank Vision Fund in which RA Co would otherwise have a Specified Investor Tag-Along Right under this Article 29.9 (*Additional Tag-Along Right of Certain Investors*), unless the Founder has given his prior written approval to RA Co's exercise of its Specified Investor Tag-Along Right in connection with such proposed Transfer; or
- (vi) To LSVP or SCI, if (A) the exercise of such Specified Investor Tag-Along Right by LSVP and/or SCI would result in the proposed Transfer by SoftBank Vision Fund requiring the consent of RA Co and/or the Founder under these Articles (because such Transfer would constitute a change of Control), and (B) RA Co or the Founder indicates that it/he will not consent to such Transfer.

29.9.9. Notwithstanding anything to the contrary in these Articles (including Article 19.18 (*Affirmative Voting Matters*), and Article 19.20 (*Founder Affirmative Approval*)), (i) if RA Co duly elects to exercise its Specified Investor Tag-Along Right after obtaining the prior written approval of the Founder and such proposed Transfer, after taking into account RA Co's Tagged Shares, would require the consent of RA Co and/or the Founder under these Articles (because such Transfer would constitute a change of Control), then such consent shall be deemed to have been irrevocably granted through RA Co's exercise of its tag-along right and the Founder and RA Co shall not otherwise have any right to veto or withhold consent to any such Transfer; and (ii) if SoftBank Vision Fund duly elects to exercise its Specified Investor Tag-Along Right and such proposed Transfer, after taking into account SoftBank Vision Fund's Tagged Shares, would require the consent of SoftBank Vision Fund, RA Co or the Founder under these Articles (because such Transfer would constitute a change of Control), then such consent shall be deemed to have been irrevocably granted by SoftBank Vision Fund, RA Co and the Founder through SoftBank Vision Fund's exercise of its tag-along right and SoftBank Vision Fund, RA Co and the Founder shall not otherwise have any right to veto or withhold consent to any such Transfer.

29.9.10. With respect to a proposed Transfer by RA Co, if SoftBank Vision Fund is entitled to both a right of first offer pursuant to Article 29.8 (*Right of First Offer of SoftBank Vision Fund*) above, and a Specified Investor Tag-Along Right pursuant to this Article 29.9 (*Additional Tag-Along Right of Certain Investors*), then the provisions of this Article 29.9 (*Additional Tag-Along Right of Certain Investors*) shall apply only after the provisions of Article 29.8 (*Right of First Offer of SoftBank Vision Fund*), including any time periods contemplated therein, have been fully complied with.

29.10. Minimum Price Requirement. Without limiting any other term of these Articles, RA Co shall not Transfer any Equity Securities to the Founder (or his Affiliates or any trust created for the benefit of the Founder or his Relatives) at a price per Equity Security that is less than the lower of: (i) the fair market value of such Equity Security (as mutually agreed by the Founder, RA Co and SoftBank Vision Fund) at the relevant date of determination (provided that if the Founder, RA Co and SoftBank Vision Fund fail to agree on such fair market value after good faith discussions, this prong (i) shall be disregarded and only the following prong (ii) shall apply); and (ii) the higher of: (a) the price per Equity Security implied in the Company's immediately prior (as of the

relevant date of determination) round of new equity issuances for bona fide equity financing purposes in which the Company has received aggregate cash proceeds from bona fide institutional investors unaffiliated with the Founder or RA Co of at least USD 100,000,000 (US Dollars One Hundred Million) through such round of equity financing; and (b) the Series F CCCPS Subscription Price.

29.10A. RA Co Additional Lock-In: Notwithstanding anything to the contrary, and subject always to any current financing arrangement entered into by RA Co or any of its Affiliates as on the amendment agreement to the shareholders agreement dated December 30, 2025, in connection with an IPO, if any lock-in is imposed upon or is otherwise undertaken by SoftBank Vision Fund, or otherwise on the day on which SoftBank Vision Fund Transfers its Equity Securities ("**SVF Lock-in Date**"), then RA Co (if it is then under Founder control) shall have and undertakes an additional six (6) months of lock-in over the SVF Lock-in Date in connection with Equity Securities held by RA Co, provided that nothing herein shall restrict or prohibit any Transfer or Encumbrance that is required pursuant to such financing arrangements that exist as on the SHA Amendment Agreement Execution Date, and RA Co shall not Transfer any of its Equity Securities prior to the expiry of such additional lock-in."

29.11. The Company has fully and finally discharged the Company's obligation to issue Top-Up Shares to the Founder under the Shareholders Agreement and these Articles. It is hereby clarified the 13,059 Equity Shares held by the Founder as of September 2, 2021 represents the entire holding of the Founder in the Equity Share Capital of the Capital and the Founder shall not be entitled to any additional Equity Securities or Top-Up Shares pursuant to this Article 29.11.

30. **EXIT**

30.1. The Company shall consummate a Qualified IPO at any time prior to the Exit Period, with the prior written approval of each of RA Co (but only if RA Co is not under Founder Control at such time) and SoftBank Vision Fund. The Board shall, with the prior written approval of each of RA Co (but only if RA Co is not under Founder Control at such time) and SoftBank Vision Fund and in consultation with a firm of independent merchant bankers, and subject to such statutory guidelines as may be in force, decide on:

30.1.1. The method of listing the Equity Securities, i.e. either:

- (a) Through a public issue of fresh Equity Securities; or
- (b) Through an offer of existing Equity Securities by some or all the Shareholders ("**Offer of Existing Securities**"); or
- (c) A combination of (a) and (b).

30.1.2. The price and other terms and conditions of the Qualified IPO.

30.1.3. The timing of the Qualified IPO.

30.1.4. The Recognised Stock Exchange on which the Equity Securities are to be listed.

30.1.5. Any other matters related to the Qualified IPO.

30.2. The Founder shall offer as many Equity Securities in the Qualified IPO/IPO as may be required, under Law, to enable the listing of Equity Securities of the Company. Notwithstanding the foregoing, in the event of the Qualified IPO/IPO by way of an Offer

of Existing Securities, the Investors shall have the right (but not the obligation) to offer their Equity Securities for sale in the Qualified IPO/IPO, in priority to any other Shareholder of the Company. Provided that, in the event the selling Investors actually collectively tender more Equity Securities of the Company than the number of Equity Securities that are permitted to be offered in accordance with Article 30.1 and/or applicable Law, then the number of Equity Securities offered by the Investors shall be allocated *pro-rata inter se* their respective aggregate shareholding in the Company on a Fully Diluted Basis.

30.3. The Founder and RA Co ("**Founder Entities**") hereby agree to vote in favour of and to do all acts and deeds necessary for effecting the Qualified IPO/IPO. Except the Founder Entities and SoftBank Vision Fund (and in case of Softbank Vision Fund, only to the extent required for consummation of IPO under the applicable Laws), no Investor shall be required to call itself and the Company shall not refer to any Investor as "promoter" in the offer documents or filings with the SEBI or any other Governmental Authorities. The Founder Entities and SoftBank Vision Fund further agree that in the event of a Qualified IPO/IPO, the Equity Securities held by them, will be locked-in towards the minimum promoters' contribution, in accordance with the SEBI regulations ("**MPC Requirement**") and the Founder Entities and Softbank Vision Fund shall offer such number of Shares as mutually agreed to meet the MPC Requirement. The Founder Entities and the Investors agree that in the event of a Qualified IPO/IPO, they shall be required to lock-in the Equity Securities held by them, in accordance with the requirements of the applicable SEBI regulations and guidelines.

30.4. Intentionally Deleted.

30.5. All fees and expenses (including *inter alia* payment of all costs relating to the listing and sponsorship, underwriting fees, listing fees, merchant bankers fees, bankers fees, brokerage, commission, and any other costs that may be incurred due to the changes in Law for the time being in force) required to be paid in respect of the Qualified IPO/IPO, shall be borne and paid by the Company and all intermediaries, agents and managers shall be appointed by the Company in consultation with the Investors. Provided that if the Law requires any Investor to bear any expenses in relation to a Qualified IPO/IPO by offer for sale or any other method, such Investor's liability in relation thereto will be limited only to the statutory expenses under Law.

30.6. The Company shall indemnify the Investors and the Founder (in the case of the Founder, on and from the date he ceases to be an employee, principal advisor, principal contractor, agent or fiduciary (other than in his capacity as Director) of a Group Company) to the maximum extent permitted under Law, against any loss, Claim, damage, liability (including reasonable attorneys' fees), cost or expense arising out of or relating to any misstatements and omissions of the Company in any registration statement, offering document or preliminary offering document, and like violations of applicable securities Laws by the Company or any other error or omission of the Company in connection with a public offering hereunder, other than with respect to information provided by such Investors, in writing, expressly for inclusion therein. For the avoidance of doubt, it is clarified that the Company shall not indemnify the Founder against any loss, Claim, damage, liability (including reasonable attorneys' fees), cost or expense arising out of or relating to any misstatements and omissions of the Company, pertaining to a period up to the date on which the Founder ceases to be an employee, principal advisor, principal contractor, agent or fiduciary (other than in his capacity as Director) of a Group Company, and ceases to have the right to nominate more than 1 (One) Director.

30.7. Intentionally Deleted.

- 30.8. Exit Default Rights: If within the Exit Period, the Company does not or is unable to, for any reason, complete a Qualified IPO in accordance with Article 30.1, then the Investors holding at least 2/3rd (Two-third) of the Investors' *inter se* aggregate shareholding in the Company on a Fully Diluted Basis (provided that (i) RA Co and its shareholdings shall be excluded entirely from such computation (including the numerator and denominator thereof) and from exercising such right of the Investors to deliver an Exit Notice for so long as RA Co is under Founder Control and (ii) such Investors shall include, in any case, SoftBank Vision Fund and (x) at any time there are at least 3 (Three) NSPIs, then at least 2 (Two) NSPIs in addition to SoftBank Vision Fund; (y) at any time there are 2 (Two) NSPIs, then at least 1 (One) NSPI in addition to SoftBank Vision Fund; and (z) at any time there is either 1 (One) NSPI or no NSPIs, then no Investor other than SoftBank Vision Fund shall be required provided that SoftBank Vision Fund then holds Equity Securities representing at least 30% (Thirty percent) of the Share Capital on a Fully Diluted Basis), may, by issuing a written notice ("**Exit Notice**") to the Company at any time subsequent to the expiry of the Exit Period, require the Company to appoint a merchant banker (which shall be acceptable to the Investors holding a majority of the electing Investors' aggregate *inter se* shareholding) to find a bona fide buyer for the Equity Securities held by the Investors at a price per share that is not less than the Exit Price. The merchant banker shall transparently share with the Investors the information pertaining to its search for such buyer and shall consider in good faith the advice and suggestions that the Investors may have in this regard. Upon receipt of an Exit Notice, the Company and the Founder shall provide an exit to the electing Investors in the manner provided in this Article 30.8 at a price per share that is not less than the Exit Price within 180 (One Hundred and Eighty) days from the date of the Exit Notice. Without restricting the scope of this Article 30.8 and without prejudice to the Investors' rights contained herein, upon receipt of an Exit Notice, the Company shall provide a copy of the Exit Notice to all other Investors within 2 (Two) days of receipt of such notice, and any Investor that did not issue, or was not a party to, the Exit Notice may elect to join the Exit Notice by delivering a notice to the Company within 10 (Ten) days of receiving such copy, following which any such Investor shall also be deemed, for the purpose of this Article 30.8, to be an Investor who elected to participate in the exit transaction contemplated by this Article 30.8 (*Exit Default Rights*).
- 30.9. Procedure for determination of FMV: The Founder and the Investors shall agree upon and appoint 2 (Two) reputed investment banks or Big Five Firms (each an "**Independent Valuer**") to compute the FMV of the Equity Securities. If the Founder and the Investors are, within 10 (Ten) days of commencing the appointment of Independent Valuer, unable to agree upon the 2 (Two) Independent Valuers, then within the following 10 (Ten) days the Investors shall appoint 1 (One) Independent Valuer ("**Investors' Valuer**") and Founder shall appoint 1 (One) Independent Valuer ("**Founder Valuer**") to compute the FMV of the Equity Securities ("**Preliminary Valuation**") and deliver a valuation report ("**Preliminary Valuation Report**") within a period of 1 (One) month of the date of their appointment ("**FMV Computation Date**"). Provided that if either the Investors or the Founder fail to appoint the Investors' Valuer or Founder Valuer (as the case maybe) within the time period stipulated herein, the Independent Valuer, so appointed by the other party shall be deemed to be the sole authority to determine the FMV as per this Article 30.9. In the event that the greater (in value) of the Preliminary Valuations ("**Greater Preliminary Valuation**") is equal to or less than 120% (One Hundred and Twenty percent) of the lesser (in value) of the Preliminary Valuations ("**Lesser Preliminary Valuation**"), then the average of the 2 (Two) Preliminary Valuations shall be the FMV. In the event that the Greater Preliminary Valuation is greater than 120% (One Hundred and Twenty percent) of the Lesser Preliminary Valuation, then the Investors' Valuer and the Founder Valuer shall, within 7 (Seven) days from the FMV Computation Date, jointly select another reputed

investment bank or Big Five Firm (not being either of the Independent Valuers) (“**Third Valuer**”) to evaluate the 2 (Two) Preliminary Valuation Reports and deliver a report, within 15 (Fifteen) days of its appointment, selecting 1 (One) of the 2 (Two) Preliminary Valuations as the FMV. The selection of the FMV by such Third Valuer (which shall not be lower than the Lesser Preliminary Valuation) shall be the final and binding FMV.

30.10. Reinstatement of Rights Upon Failure of Qualified IPO/IPO: In the event that

30.10.1. the Equity Securities held by the Investors have been converted into Equity Shares in accordance with Article 54, 55, 56, 57, 58, 59, 60, 61, 62, 64 and 64A as applicable and/or alteration of the class of the Equity Securities held by the Investors and/or the rights attaching to the Equity Securities held by the Investors has occurred in connection with any public offering of Shares, pursuant to requirements under applicable Law (such conversion and/or alterations being, collectively, “**Conforming of Rights**”); and

30.10.2. within 12 (Twelve) months after the filing of an initial prospectus with the relevant Governmental Authority with jurisdiction of the relevant Recognised Stock Exchange (such filing date to be referred to as the “**Filing Date**”), the Qualified IPO/IPO does not complete such that the entire issued Share Capital of the Company is not admitted to trading on a Recognised Stock Exchange by the end of such 12 (Twelve) month period, then upon the written approval of SoftBank Vision Fund and RA Co (so long as RA Co is not under Founder Control) for the reinstatement of rights, each of the Investors shall have the right to issue a notice to the Company requiring it to take all steps required to place the Investors in the same position and possess the same preferential and other rights the Investors had the benefit of immediately prior to the Conforming of Rights. Upon any of the Investors serving such notice to the Company, the Company shall and the Founder shall exercise reasonable efforts to procure that the Company shall, within 13 (Thirteen) months from the Filing Date (if the Qualified IPO/IPO has not been completed by that date) or, if earlier, the date on which the Qualified IPO/IPO process is cancelled, discontinued or postponed, undertake all necessary actions to ensure that any electing Investors are placed in the same position and possess the same preferential and other rights such Investor had the benefit of immediately prior to the Conforming of Rights.

30.10.3. Undertakings in Connection with Reinstatement of Rights: The Company, the Founder (and the Founder shall exercise reasonable efforts to procure that the employee Shareholders shall) and the Investors shall enter into any contractual arrangements and support all such decisions and actions, by exercising their respective voting and other rights, to ensure all the necessary, required or requested resolutions of the Board and Shareholders, to effect the actions contemplated above in Article 30.10.2, to the extent permitted by applicable Law, which steps shall include but not be limited to:

- (a) re-conversion of the Company into a private limited company;
- (b) **Intentionally Deleted;**
- (c) modification and reclassification of the Equity Shares held by the Investors of a different class which rank in preference to the remainder of the issued Share Capital of the Company at and from that point in time (“**Differential Equity Shares**”). The Differential Equity Shares shall, subject to applicable Law, have all rights that were attached to the

Shares held by the Investors immediately prior to the Conforming of Rights;

- (d) enter into any contractual arrangements necessary or, in the opinion of SoftBank Vision Fund and RA Co (so long as RA Co is not under Founder Control), desirable, for the purposes of ensuring that the rights attaching to the Differential Equity Shares are the same as those that are attached to the Shares held by the Investors immediately prior to the Conforming of Rights;
- (e) the alteration of the Articles to include all of the rights attached to the Differential Equity Shares that were attached to the Shares held by the Investors immediately prior to the Conforming of Rights; and
- (f) upon the written approval of SoftBank Vision Fund and RA Co (so long as RA Co is not under Founder Control) under Article 30.10, the steps for re- instatement set forth above shall become applicable to each of the other Investors and the Company shall be bound to take all steps described above in respect of each of the other Investors.

31. **MINORITY SALE**

- 31.1. If, subsequent to 1 (One) year from the expiry of the Exit Period, the Company has not been able to complete an IPO or provide an exit under Article 30.8 and neither an Exit Notice nor a Drag Along Notice has been provided by the relevant Investors, then the Investors (which shall not include RA Co so long as RA Co is under Founder Control for such computation (including the numerator and denominator thereof) and for such exercise of rights, except as expressly provided below in this Article) holding at least 1/5th (One-fifth) of the Investors' *inter se* aggregate shareholding in the Company on a Fully Diluted Basis for so long as RA Co is under Founder Control, ("**Selling Investors**"), may, by issuing a written notice ("**Minority Sale Notice**") to the Company and other Investors, require the Company to appoint a merchant banker reasonably acceptable to the Selling Investors in order to find a bona fide buyer for all of the Equity Securities held by such Selling Investors. If the Selling Investors duly deliver a Minority Sale Notice to the Company and at such time RA Co is under Founder Control, then the Company will notify RA Co of such Minority Sale Notice and RA Co shall be entitled to require that all (but not less than all) of RA Co's Equity Securities be included with the Equity Securities held by the Selling Investors in any sale consummated pursuant to this Article 31 (*Minority Sale*), and if RA Co so elects to sell its Equity Securities along with the Equity Securities held by the Selling Investors in any sale consummated pursuant to this Article 31 (*Minority Sale*), then the term 'Selling Investor' shall be construed to include a reference to RA Co as well, and any such Transfer by RA Co shall be subject to Article 29.9 (*Additional Tag-Along Right of Certain Investors*). The merchant banker shall transparently share with the Selling Investors the information pertaining to its search for such buyer and shall consider in good faith the advice and suggestions that the Selling Investors may have in this regard.
- 31.2. Upon receipt of a Minority Sale Notice, the Company and the Founder shall make all commercially reasonable efforts (which, for the avoidance of doubt, shall not include causing or procuring an exit or Transfer of the Company or its assets or any other Equity Securities held by Persons other than the Selling Investors) to facilitate a sale of the Equity Securities held by the Selling Investors, in the manner provided in this Article 31, within 180 (One Hundred and Eighty) days from the date of the Minority Sale Notice ("**Minority Sale Exit Period**"). All reasonable fees and expenses required to be paid to the merchant banker in respect of the sale by the Selling Investors, shall be borne and paid by the Company.

Once the Company has made commercially reasonable efforts during the Minority Sale Exit Period, then the Company's obligation under this Article 31 shall be deemed to have been fully satisfied, provided that in case the sale of all of the Equity Securities held by the Selling Investors is not consummated within the Minority Sale Exit Period, any of the Selling Investors who previously issued a Minority Sale Notice (so long as they have fully co-operated and made commercially reasonable efforts to consummate a sale under Article 31 during the Minority Sale Exit Period) shall be entitled to issue a new Minority Sale Notice in accordance with Article 31.1 ("**New Minority Sale Notice**"), after the expiry period of 180 (One Hundred and Eighty) days from the completion of the Minority Sale Exit Period ("**Cooling Off Period**").

For avoidance of doubt, it is hereby clarified that the Selling Investors, subject always to the provisions of Article 31 including the Cooling Off Period, shall be entitled to issue a New Minority Sale Notice in compliance with Article 31.1, so long as a sale under Article 31 is not consummated.

- 31.3. The rights exercised by the Selling Investors under this Article 31 shall always be subject to Article 30.8 (*Exit Default Rights*) and Article 32 (*Drag Along Rights*) and any process initiated under this Article 31 shall immediately suspend on the date on which, (x) either an Exit Notice or the Drag Along Notice is duly issued pursuant to Article 30.8 (*Exit Default Rights*) and/or Article 32 (*Drag Along Rights*) above, or (y) such additional Investors, whose aggregate shareholding in the Company when combined with the shareholding of the Selling Investors, will be sufficient to represent at least 2/3rd (Two-third) (in case of Article 30.8 above for Exit Notice) or 3/4th (Three-Fourth) (in case of Article 32.1 below for Drag Along Notice) of the Investors' *inter se* aggregate shareholding, as the case may be (provided that, in the case of each such threshold with respect to an Exit Notice or Drag Along Notice, (i) RA Co and its shareholdings shall be excluded entirely from such computation (including the numerator and denominator thereof) and from exercising such right of the Investors for so long as RA Co is under Founder Control and (ii) such Investors shall include, in any case, SoftBank Vision Fund and (A) at any time there are at least 3 (Three) NSPIs, then at least 2 (Two) NSPIs in addition to SoftBank Vision Fund, (B) at any time there are 2 (Two) NSPIs, then at least 1 (One) NSPI in addition to SoftBank Vision Fund, and (C) at any time there is either 1 (One) NSPI or no NSPIs, then no Investor other than SoftBank Vision Fund shall be required provided that SoftBank Vision Fund then holds Equity Securities representing at least 30% (Thirty percent) of the Share Capital on a Fully Diluted Basis)), express a binding intention to issue the Exit Notice or a Drag Along Notice in accordance with Article 30.8 (*Exit Default Rights*) or Article 32 (*Drag Along Rights*), as the case may be. Upon receipt of the binding notification under sub-article (y) above, the Selling Investors shall provide their consent and cooperation so that the Exit Notice or the Drag Along Notice (as the case may be) could be duly issued pursuant to Article 30.8 (*Exit Default Rights*) and/or Article 32 (*Drag Along Rights*). Upon an Exit Notice or a Drag Along Notice being issued, the Selling Investors shall cooperate and assist and adhere to their obligations (if any) in consummating the transactions contemplated thereby, provided that, if (despite such cooperation and adherence to obligations) the transactions contemplated thereby are not completed in accordance with Article 30.8 or Article 32, then, subject to the Cooling Off Period, the right of the Selling Investors under this Article 31 shall revive and be in full force and effect.
- 31.4. It is clarified that all processes and obligations under this Article 31 shall stand suspended upon the Filing Date and shall cease on completion of a Qualified IPO.
- 31.5. Notwithstanding anything to the contrary in these Articles (including Article 19.18 and Article 19.20) and the Transaction Documents, the Selling Investors shall not require the written approval of RA Co or SoftBank Vision Fund or the Founder's approval

(including, under the Founder Affirmative Voting Matter) for the purpose of exercising their rights under and in accordance with the terms of this Article 31.

32. DRAG ALONG RIGHTS

- 32.1. In the event that an exit is not provided to the Investors within 270 (Two Hundred and Seventy) days of the issue of an Exit Notice, then at any time thereafter, the Investors holding at least 75% (Seventy Five percent) of the Investors' *inter se* aggregate shareholding in the Company on a Fully Diluted Basis (provided that (i) RA Co and its shareholdings shall be excluded entirely from such computation (including the numerator and denominator thereof) and from exercising such drag-along right of the Investors for so long as RA Co is under Founder Control and (ii) such Investors shall include, in any case, SoftBank Vision Fund and (x) at any time there are at least 3 (Three) NSPIs, then at least 2 (Two) NSPIs in addition to SoftBank Vision Fund; (y) at any time there are 2 (Two) NSPIs, then at least 1 (One) NSPI in addition to SoftBank Vision Fund; and (z) at any time there is either 1 (One) NSPI or no NSPIs, then no Investor other than SoftBank Vision Fund shall be required provided that SoftBank Vision Fund then holds Equity Securities representing at least 30% (Thirty percent) of the Share Capital on a Fully Diluted Basis)) ("**Dragging Investors**"), shall have the right, exercisable by written notice to the Company ("**Drag Along Notice**"), to require the conducting of a Drag Sale, in a manner determined by the Dragging Investors in conjunction with an offer received or solicited from a Third Party ("**Drag Sale Purchaser**") (including by way of sale of Equity Securities of the Company, sale of assets of the Company or a merger or amalgamation).
- 32.2. Notwithstanding anything to the contrary but subject to Article 32.4 and 32.5 below, all Shareholders, other than the Dragging Investors (collectively the "**Dragged Shareholders**") shall: (i) Transfer up to all the Equity Securities of the Company held by such Dragged Shareholders to the Drag Sale Purchaser as required by the Dragging Investors, in furtherance of a Drag Sale, provided that the price and terms specifically related to Transfer of Equity Securities (on a per Equity Security basis) offered to the Dragged Shareholders shall be the same as that offered to the Dragging Investor(s) (subject to the Liquidation Preference pursuant to Article 33 which shall be applicable); (ii) vote, as Shareholders of the Company and as holders of Equity Securities of the respective classes and series, in favour of a Drag Sale; and (iii) execute and deliver any and all agreements, certificates, deeds, instruments and other documents reasonably required in connection therewith and to take all other steps requested by the Dragging Investors to cause such Drag Sale to be consummated, including, as appropriate, exercising their best efforts to cause all Directors under their control or influence to vote, as Directors, to approve the Drag Sale. For the avoidance of doubt, the Dragging Investors may (but are not required to and shall not be obliged to) in their sole discretion include the Founder and/or other Shareholders (except the Investors) amongst the Dragged Shareholders; provided, however, if such Shareholders and/or Founder are included amongst the Dragged Shareholders by the Dragging Investors and are thus required to Transfer any or all Equity Securities (pursuant to, and as indicated in, the Drag Along Notice and/or Updated Drag Along Notice, as the case may be) (such Equity Securities, the "**Other Shareholders Securities**") then such Shareholders and/or the Founder (as the case may be) shall Transfer such Other Shareholder Securities as required pursuant to the Drag Along Notice and/or Updated Drag Along Notice and shall also comply with their obligations as Dragged Shareholders under this Article 32. Notwithstanding anything to the contrary but subject to compliance with Articles 32.4 and 32.5, even if any such Shareholders (except the Investors) and/or Founder are not included amongst the Dragged Shareholders by the Dragging Investors, then such Shareholders (except the Investors) and/or Founder (as the case may be) shall still comply with the obligations under Article 32.1, subparagraph (ii) and (iii) above of this Article 32.2, Article 32.5, Article 32.6 and Article

- 32.7.
- 32.3. The Drag Along Notice shall indicate (i) (A) the total number of such Equity Securities (subject to the Drag Along Notice) which are collectively required to be Transferred by the Draggged Investors and, (B) the Other Shareholders Securities which are required to be Transferred by the Founder and/or other Shareholders (except the Investors); and (ii) whether or not the Founder is required to Transfer his Equity Securities pursuant to the Drag Along Notice.
- 32.4. Upon receipt of the Drag Along Notice, the Company shall forthwith send such notice to all the Draggged Shareholders.
- 32.4.1. Each Investor, who is not a Dragging Investor ("**Dragged Investors**"), upon receipt of the Drag Along Notice shall be obliged to Transfer (in a manner as required pursuant to the Drag Along Notice) such number of Equity Securities which represents the same proportion to all of the Equity Securities held by such Draggged Investor (on a Fully Diluted Basis), which proportion is equal to the proportion represented by all of the Equity Securities proposed to be collectively Transferred (as a part of the Drag Sale) by all of the Dragging Investors to the total Equity Securities then held by all of the Dragging Investors ("**Drag Proportion**"). Therefore, as an illustration, if the Dragging Investors are collectively transferring 40% (Forty percent) (referred to as Drag Proportion) of the total Equity Securities owned by all of the Dragging Investors (as a part of the Drag Sale), then each Draggged Investor shall be individually required to transfer 40% (Forty percent) of the Equity Securities owned by such Draggged Investor.
- 32.4.2. Notwithstanding the above, the Series A Preferential Dividend shall be due only when declared by the Board.

54.2. CONVERSION OF THE SERIES A CCPS

54.2.1. Conversion:

- (i) Notwithstanding anything contained elsewhere in these Articles, but subject to the adjustment pursuant to the terms and conditions of these Articles, including Article 21.5 of the Articles and 54.2.3 of this Article, each Series A CCPS may be converted into Equity Shares on a 1:1 basis at any time at the option of the holder of the Series A CCPS.
- (ii) Subject to compliance with Law, each Series A CCPS shall automatically be converted into Equity Shares, at the conversion price then in effect, upon the earlier of (i) 1 (One) day prior to the expiry of 20 (Twenty) years from the date of issue of Series A CCPS; or (ii) in connection with an Issue, unless the Applicable Law provides a longer maximum period permissible to hold on to such conversion, not earlier than 7 (seven) days preceding the date of filing of the UDRHP - II or the RHP, in the event UDRHP-II is not required to be filed.
- (iii) The Series A CCPS shall be converted into Equity Shares at the Series A Conversion Price determined as provided herein in effect at the time of conversion ("**Series A Conversion Price**").
- (iv) The initial Series A Conversion Price for the Series A CCPS shall be the Series A CCPS Subscription Price.

(i) Upon each issuance by the Company of any Equity Securities (other than pursuant to the ESOP or an IPO) at a price per Equity Share ("**Series A Dilutive Price**") less than the Series A Conversion Price then in effect ("**Series A Dilutive Issuance**"), the Series A Conversion Price will be adjusted downward on a broad based weighted average basis, in accordance with the formula set out below:

I. The adjusted Series A Conversion Price ("**NCP**") in each such instance will be calculated as follows:

NCP = $[OCP \times (SO + SP)] / (SO + SAP)$, where:

OCP = prevailing Series A Conversion Price (before adjustment);

SO = the aggregate of all the Equity Shares outstanding immediately prior to the dilutive issuance reckoned on a Fully Diluted Basis, on the assumption that all Equity Securities have converted into Equity Shares;

SP = the total consideration received by the Company from the subscriber of the dilutive issuance divided by OCP; and

SAP = Number of Equity Securities (on a Fully Diluted Basis) actually issued in the dilutive issuance.

II. It is clarified that in the event that the Equity Securities being issued in the Series A Dilutive Issuance are not Equity Shares, but are ultimately convertible into Equity Shares, then the term 'Series A Dilutive Price' herein shall mean the conversion price at which any Equity Securities issued in a Series A Dilutive Issuance is convertible into Equity Shares.

(i) In the event that the Company undertakes any form of restructuring of its Share Capital, including but not limited to: (i) consolidation or sub-division or splitting up of its shares; (ii) issue of bonus shares; (iii) issue of shares in a scheme of arrangement (including amalgamation or demerger); (iv) reclassification of shares or variation of rights into other kinds of securities; and (v) issue of right shares (collectively, each such event, "**Capital Restructuring**"), the number of Equity Shares that each Series A CCPS converts into and the Series A Conversion Price shall be adjusted accordingly in a manner that the holders of the Series A CCPS receives such number of Equity Shares that the holders of Series A CCPS would have been entitled to receive immediately after occurrence of any such Capital Restructuring had the conversion of the Series A CCPS occurred immediately prior to the occurrence of such Capital Restructuring.

(ii) Notwithstanding anything contained elsewhere in these Articles, the provisions in these Articles relating to

conversion and payment of dividends in relation to the Series A CCPS shall be subject to applicable Law including the provisions of the Act and the Foreign Exchange Management Act, 1999 and the rules/regulations made thereunder. In the event that any provision in these Articles contravenes any applicable Law, the Shareholders shall amend the relevant provision so as to confer upon the holders of Series A CCPS the benefits originally intended under the relevant provision to the fullest extent permitted under applicable Laws.

54.3 VOTING RIGHTS

The holders of the Series A CCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares). The subscribers of the Series A CCPS have subscribed to the Series A CCPS on the basis that the holders of the Series A CCPS will be able to exercise voting rights on the Series A CCPS as if the same were converted into Equity Shares. NCP = $[OCP \times (SO + SP)] / (SO + SAP)$, where:

OCP = prevailing Series C1 Conversion Price (before adjustment);

SO = the aggregate of all the Equity Shares outstanding immediately prior to the dilutive issuance reckoned on a Fully Diluted Basis, on the assumption that all Equity Securities have converted into Equity Shares;

SP = the total consideration received by the Company from the subscriber of the dilutive issuance divided by OCP; and

SAP = Number of Equity Securities (on a Fully Diluted Basis) actually issued in the dilutive issuance.

- II. It is clarified that in the event that the Equity Securities being issued in the Series C1 Dilutive Issuance are not Equity Shares, but are ultimately convertible into Equity Shares, then the term 'Series C1 Dilutive Price' herein shall mean the conversion price at which any Equity Securities issued in a Series C1 Dilutive Issuance is convertible into Equity Shares.

CCCPS could then be converted. To this effect, so long as applicable Law does not permit the holders of Series C1 CCCPS to exercise voting rights on all Shareholder matters submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares), then until the conversion of all the Series C1 CCCPS into Equity Shares, each Founder shall vote in accordance with the instructions of the Investors at a general meeting or provide proxies without instructions to the Investors for the purposes of a general meeting, in respect of such number of Equity Shares held by each of them such that a relevant percentage (“**Series C1 Relevant Percentage**”) of the Equity Shares of the Company are voted on in the manner required by the Investors. For the purposes of this paragraph, the Series C1 Relevant Percentage in relation to the Investors shall be equal to the percentage of Equity Shares in the Company that the Investors would hold if the Investors were to elect to convert their Series C1 CCCPS into Equity Shares based on the then applicable Series C1 Conversion Price. To this effect, so long as applicable Law does not permit the holders of Series D CCCPS to exercise voting rights on all Shareholder matters submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares), then until the conversion of all the Series D CCCPS into Equity Shares, each Founder shall vote in accordance with the instructions of the Investors at a general meeting or provide proxies without instructions to the Investors for the purposes of a general meeting, in respect of such number of Equity Shares held by each of them such that a relevant percentage ("**Series D Relevant Percentage**") of the Equity Shares of the Company are voted on in the manner required by the Investors. - (iv) The initial Series F Conversion Price for the Series F CCCPS shall be the Series F CCCPS Subscription Price.

62.2.2. Conversion Procedure:

- (i) Each holder of Series F CCCPS who elects to convert the same into Equity Shares shall surrender the relevant share certificate or certificates therefore at the registered office of the Company, and shall, at the time of such surrender, give written notice to the Company that such holder has elected to convert the same and shall state in such notice the number of Series F CCCPS being converted.
- (ii) Within 10 (Ten) days after receipt of such notice and the accompanying share certificates, the Company shall issue and deliver to the holder of the converted Series F CCCPS, a share certificate or certificates for the aggregate number of Equity Shares issuable upon such conversion.
- (iii) Where such aggregate number of Equity Shares includes any fractional share, such fractional share shall be disregarded. Subject to the requirements of Law, such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the certificate or certificates representing the Series F CCCPS, and the Person entitled to receive the Equity Shares issuable upon such conversion shall be treated for all purposes as the record holder of such Equity Shares on such date.

62.2.3. Anti-dilution:

- (i) Upon each issuance by the Company of any Equity Securities (other than pursuant to the ESOP or an IPO) at a price per Equity Share (“**Series F Dilutive Price**”) less than the Series F Conversion Price then in effect (“**Series F Dilutive Issuance**”), the Series F Conversion Price will be adjusted downward on a broad based weighted average basis, in accordance with the formula set out below:

- I. The adjusted Series F Conversion Price (“**NCP**”) in each such instance will be calculated as follows:

NCP = [OCP x (SO + SP)] / (SO + SAP), where:

OCP = prevailing Series F Conversion Price (before adjustment);

SO = the aggregate of all the Equity Shares outstanding immediately prior to the dilutive issuance reckoned on a Fully Diluted Basis, on the assumption that all Equity Securities have converted into Equity Shares;

SP = the total consideration received by the Company from the subscriber of the dilutive issuance divided by OCP; and

SAP = Number of Equity Securities (on a Fully Diluted Basis) actually issued in the dilutive issuance.

- II. It is clarified that in the event that the Equity Securities being issued in the Series F Dilutive Issuance are not Equity Shares, but are ultimately convertible into Equity Shares, then the term 'Series F Dilutive Price' herein shall mean the conversion price at which any Equity Securities issued in a Series F Dilutive Issuance is convertible into Equity Shares.
- III. In the event of Capital Restructuring, the number of Equity Shares that each Series F CCCPS converts into and the Series F Conversion Price shall be adjusted accordingly in a manner that the holders of the Series F CCCPS receives such number of Equity Shares that the holders of Series F CCCPS would have been entitled to receive immediately after occurrence of any such Capital Restructuring had the conversion of the Series F CCCPS occurred immediately prior to the occurrence of such Capital Restructuring.
- IV. Notwithstanding anything contained elsewhere in these Articles, the provisions in these Articles relating to conversion and payment of dividends in relation to the Series F CCCPS shall be subject to applicable Law including the provisions of the Act and the Foreign Exchange Management Act, 1999 and the rules/regulations made thereunder. In the event that any provision in these Articles contravenes any applicable Law, the Shareholders shall amend the relevant provision so as to confer upon the holders of Series F CCCPS the benefits originally intended under the relevant provision to the fullest extent permitted under applicable Laws.

62.3. VOTING RIGHTS

The holders of the Series F CCCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares). The subscribers of the Series F CCCPS have agreed to subscribe to the Series F CCCPS on the basis that the holders of the Series F CCCPS will be able to exercise voting rights on the Series F CCCPS as if the same were converted into Equity Shares. Each Series F CCCPS shall entitle the holder to the number of votes equal to the number of whole or fractional Equity Shares into which such Series F CCCPS could then be converted. To this effect, so long as applicable Law does not permit the holders of Series F CCCPS to exercise voting rights on all Shareholder matters submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares), then until the conversion of all the Series F CCCPS into Equity Shares, each Founder shall vote in accordance with the instructions of the Investors at a general meeting or provide proxies without instructions to the Investors for the purposes of a general meeting, in respect of such number of Equity Shares held by each of them such that a relevant percentage ("**Series F Relevant Percentage**") of the Equity Shares of the Company are voted on in the manner required by the Investors. For the purposes of this paragraph, the Series F Relevant Percentage in relation to the Investors shall be equal to the percentage of Equity Shares in the Company that the Investors would hold if the Investors were to elect to convert their Series F CCCPS into Equity Shares based on the then applicable Series F Conversion Price. The obligation of the Founder to vote on their Equity Shares as aforesaid shall be pro-rated in accordance with their inter se shareholding in the Company.

62.4. GENERAL

62.4.1. Certificate of Adjustment: In each case of an anti-dilution adjustment, the Company shall cause any of its Directors to compute such adjustment or readjustment and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to the holder of the Series F CCCPS at its respective address as shown in the Company's statutory registers.

62.4.2. No Impairment: The Company shall not avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but shall at all times in good faith assist in carrying out all such actions as may be reasonably necessary or appropriate in order to protect the conversion rights of the holders of the Series F CCCPS against impairment.

64.2. CONVERSION OF THE SERIES F2 CCCPS

64.2.1. Conversion

- (i) Notwithstanding anything contained elsewhere in these Articles, but subject to the adjustment pursuant to the terms and conditions of these Articles, including Article 21.5 and Article 64.2.3 of these Articles, each Series F2 CCCPS may be converted into Equity Shares on a 1:1 basis at any time at the option of the holder of the Series F2 CCCPS.

- (ii) Subject to compliance with Law, each Series F2 CCCPS shall automatically be converted into Equity Shares, at the conversion price then in effect, upon the earliest of (i) 1 (One) day prior to the expiry of 20 (Twenty) years from the date of issue of Series F2 CCCPS; or (ii) in connection with an Issue, unless the Applicable Law provides a longer maximum period permissible to hold on to such conversion, not earlier than 7 (seven) days preceding the date of filing of the UDRHP - II or the RHP, in the event UDRHP-II is not required to be filed.
- (iii) The Series F2 CCCPS shall be converted into Equity Shares at the Series F2 Conversion Price determined as provided herein in effect at the time of conversion ("**Series F2 Conversion Price**").

64.2.2. Conversion Procedure:

- (i) Each holder of Series F2 CCCPS who elects to convert the same into Equity Shares shall surrender the relevant share certificate or certificates therefore at the registered office of the Company, and shall, at the time of such surrender, give written notice to the Company that such holder has elected to convert the same and shall state in such notice the number of Series F2 CCCPS being converted.
- (ii) Within 10 (Ten) days after receipt of such notice and the accompanying share certificates, the Company shall issue and deliver to the holder of the converted Series F2 CCCPS, a share certificate or certificates for the aggregate number of Equity Shares issuable upon such conversion.
- (iii) Where such aggregate number of Equity Shares includes any fractional share, such fractional share shall be disregarded. Subject to the requirements of Law, such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the certificate or certificates representing the Series F2 CCCPS, and the Person entitled to receive the Equity Shares issuable upon such conversion shall be treated for all purposes as the record holder of such Equity Shares on such date.

64.2.3. Anti-dilution:

- (i) Upon each issuance by the Company of any Equity Securities (other than pursuant to the ESOP or an IPO) at a price per Equity Share ("**Series F2 Dilutive Price**") less than the Series F2 Conversion Price then in effect ("**Series F2 Dilutive Issuance**"), the Series F2 Conversion Price will be adjusted downward on a broad based weighted average basis, in accordance with the formula set out below:

- I. The adjusted Series F2 Conversion Price ("**NCP**") in each such instance will be calculated as follows:

$$\mathbf{NCP} = [\mathbf{OCP} \times (\mathbf{SO} + \mathbf{SP})] / (\mathbf{SO} + \mathbf{SAP}), \text{ where:}$$

$$\mathbf{OCP} = \text{prevailing Series F2 Conversion Price (before adjustment);}$$

SO = the aggregate of all the Equity Shares outstanding immediately prior to the dilutive issuance reckoned on a Fully Diluted Basis, on the assumption that all Equity Securities have converted into Equity Shares;

SP = the total consideration received by the Company from the subscriber of the dilutive issuance divided by OCP; and

SAP = Number of Equity Securities (on a Fully Diluted Basis) actually issued in the dilutive issuance.

- II. It is clarified that in the event that the Equity Securities being issued in the Series F2 Dilutive Issuance are not Equity Shares, but are ultimately convertible into Equity Shares, then the term 'Series F2 Dilutive Price' herein shall mean the conversion price at which any Equity Securities issued in a Series F2 Dilutive Issuance is convertible into Equity Shares. To the extent that any holder of the Series F2 CCCPS holds Equity Shares issued upon the conversion of any Series F2 CCCPS, the benefit of the anti-dilution mechanism set out herein shall be accomplished by issuing such number of Equity Shares to the holder at the lowest price permissible under Law, so as to give full effect to the broad based weighted average anti-dilution rights per the formula set forth in Article 64.2.3 (I) above.
- III. In the event of Capital Restructuring, the number of Equity Shares that each Series F2 CCCPS converts into and the Series F2 Conversion Price shall be adjusted accordingly in a manner that the holders of the Series F2 CCCPS receives such number of Equity Shares that the holders of Series F2 CCCPS would have been entitled to receive immediately after occurrence of any such Capital Restructuring had the conversion of the Series F2 CCCPS occurred immediately prior to the occurrence of such Capital Restructuring.
- IV. Notwithstanding anything contained elsewhere in these Articles, the provisions in these Articles relating to conversion and payment of dividends in relation to the Series F2 CCCPS shall be subject to applicable Law including the provisions of the Act and the Foreign Exchange Management Act, 1999 and the rules/regulations made thereunder. In the event that any provision in these Articles contravenes any applicable Law, the Shareholders shall amend the relevant provision so as to confer upon the holders of Series F2 CCCPS the benefits originally intended under the relevant provision to the fullest extent permitted under applicable Laws.

64.3. VOTING RIGHTS

Each Series F2 CCCPS shall entitle the holder to the number of votes equal to the number of whole or fractional

Equity Shares into which such Series F2 CCCPS could then be converted. To this effect, so long as applicable Law does not permit the holders of Series F2 CCCPS to exercise voting rights on all Shareholder matters submitted to the vote of the Shareholders of the Company (including the holders of Equity Shares), then until the conversion of all the Series F2 CCCPS into Equity Shares, each Founder shall vote in accordance with the instructions of the Investors at a general meeting or provide proxies without instructions to the Investors for the purposes of a general meeting, in respect of such number of Equity Shares held by each of them such that a relevant percentage (“**Series F2 Relevant Percentage**”) of the Equity Shares of the Company are voted on in the manner required by the Investors. For the purposes of this paragraph, the Series F2 Relevant Percentage in relation to the Investors shall be equal to the percentage of Equity Shares in the Company that the Investors would hold if the Investors were to elect to convert their Series F2 CCCPS into Equity Shares based on the then applicable Series F2 Conversion Price to the total number of equity shares of the Company on a Fully Diluted basis. The obligation of the Founder to vote on their Equity Shares as aforesaid shall be pro-rated in accordance with their inter se shareholding in the Company.

Certificate of Adjustment: In each case of an anti-dilution adjustment, the Company shall cause any of its Directors to compute such adjustment or readjustment and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to the holder of the Series F2 CCCPS at its respective address as shown in the Company’s statutory registers.

64.4.2. No Impairment: The Company shall not avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but shall at all times in good faith assist in carrying out all such actions as may be reasonably necessary or appropriate in order to protect the conversion rights of the holders of the Series F2 CCCPS against impairment.

- I. The adjusted Series G Conversion Price ("**NCP**") in each such instance will be calculated as follows:
- $$\text{NCP} = [\text{OCP} \times (\text{SO} + \text{SP})] / (\text{SO} + \text{SAP}), \text{ where:}$$
- OCP = prevailing Series G Conversion Price (before adjustment);
- SO = the aggregate of all the Equity Shares outstanding immediately prior to the dilutive issuance reckoned on a Fully Diluted Basis, on the assumption that all Equity Securities have converted into Equity Shares;
